

## Airstrip information

**Co-ordinates:**

S. 24. 06.228

E. 030.43.067

**Length:**

1100m

**Altitude:**

1650ft

**Facing:**

North – South

**Description:**

A hard gravel strip running parallel to a large accessible area.

**Obstructions:**

**Southern end** – Large hill on approach plus some trees 50m from the strip

**Northern end** – On the western side is a very nice and large house – it's mine; please miss it!

**Indemnity:**

This must be completed in full before using the airstrip and emailed to [reservations@garonga.com](mailto:reservations@garonga.com)

**The airstrip is registered**

Many Thanks.
